MONEY BACK IF NOT SATISFACTORY.

HIS STUBBLE CAME BACK, HIS CHARM WENT.

We once knew a red-headed fellow with a stiff beard that only shaved once a month. He had a sorry razor. On the first he would lather up and scrape on a vermillion stubble. For two or three days he was a pretty good looking fellow but for the balance of the month he was off the market.
His stubble came back, his charm went.
MORAL:—Get a razor that is a pleasure to shave with and shave often.
Our razors are sold on trial and guaranteed to shave easy and safely in every way. If they don't bring them back.

Don't be afraid to bring your ladies to the 10 cent seats. They will receive the same courteous treatment that I try to accord to them in other parts of the house.

At the Airdoms.
The "Dorcas" as presented at the Airdoms last night by the Whitman-Roseleigh company was a real dramatic treat such as is not often seen, though always appreciated. It is a dainty little light comedy in three acts, and the well balanced cast handled it in a manner above criticism. Miss Whitman, always good, excelled in her part last night, that of Clippin, the wife. Mr. Roseleigh as the husband and Mr. Whitman as the cousin who were the other principal characters were admirable. It is a capital play and the large audience was generous with applause. Tonight the offering is "The Peacemakers" another fine comedy. It is up to the standard already set by this company for its attractions, unexcelled.

A Few Reasons Why You Should Use the Leonard
The twelve wall construction means a great saving of ice in a short time. The case or outside frame work is of solid oak, beautifully finished. The heavy tinned wire shelves are removable for cleaning. The drain pipe is quickly removed for cleaning. The genuine porcelain lining is absolutely germ proof and is easily cleaned. The circulation is perfect, assuring a free circulation of pure dry air. Foods when placed in the Leonard retain their sweetness and wholesomeness. In fact you can't buy a better refrigerator than the Leonard Cleanable Porcelain lined.

All who attended, enjoyed the interesting meeting of the Kendrick-Dye yesterday afternoon. Miss Mildred McSpadden led the devotional exercises. Short helpful talks were made by several. We want you to thoroughly investigate the merits of the ones we show before you make your decision, you will find that they are far more desirable than we state.
